OWNERSHIP AND TRANSFER AGREEMENT FOR DIGITAL AND PHYSICAL ASSET BUNDLE

Thank you for your interest in acquiring this unique combination of a Non-Fungible Token (NFT) and its associated real-world asset, a Limited Edition 'Mayweather vs Canelo' Collectors Chip (only 500 released worldwide). A Publishers card will accompany your chip and serves as a guarantee of authenticity (Edition #221/500).

This agreement outlines the terms regarding the purchase and subsequent rights of the buyer in relation to both the digital and physical components of this bundle.

1. OWNERSHIP OF NFT:

Upon purchase, you, the buyer, will gain full ownership of the NFT. This digital token represents not only a piece of digital art but also a certificate of authenticity and ownership of the physical asset described herein.

2. OWNERSHIP OF PHYSICAL ASSET:

Along with the NFT, you will gain ownership of the physical collectors chip associated with the NFT at the time of the initial purchase. The physical asset will be transferred to you as per the delivery details agreed upon at the time of sale.

3. RESALE OF NFT:

Should you decide to resell the NFT, it is important to note that the right to the physical asset (the collectors chip) will not be transferred to the new buyer. The resale of the NFT will only convey the digital token itself, without any claim or rights to the collectors chip initially associated with the NFT.

4. ACKNOWLEDGMENT:

By purchasing this NFT and physical asset bundle, you acknowledge and agree that the physical asset is only included with the initial purchase of the NFT and will not accompany the NFT in any future sales or transfers. Any attempt to sell the NFT will strictly involve the digital asset, and the collectors chip will not be available or transferred to any subsequent buyer.

5. AGREEMENT:

Your purchase signifies your agreement to these terms, confirming your understanding that the physical asset tied to the NFT is a one-time inclusion and does not apply to future transactions involving the NFT.

We appreciate your understanding and agreement to these terms, ensuring a transparent and satisfactory experience for all parties involved.
